

**CBDC**  
INFORMATION TECHNOLOGY CONSULTANCY

**“Emirati society has taken innovation  
as the title of its journey throughout  
history.”**

**His Highness Sheikh Mohammed bin Zayed Al Nahyan**

## **QABOUS BASHATAH** General Manager

“ We are not only a CBDC solution provider,  
but a CBDC eco co-builder”

### **OUR OBJECTIVE**

Establishing a cross-border settlement center to amplify the UAE's pivotal role in trillion-dollar trade efficiency.

### **OUR AIM**

Creating a premier CBDC capability center to position the UAE as the region's foremost hub for digital expertise.

### **OUR ASPIRATION**

Introducing an AED-stablecoin to underscore the UAE's leadership in meeting market demand for stable currencies.

## ABOUT COMPANY

A renowned entity headquartered in Abu Dhabi, CBDC LLC is positioned as a leading provider of state-of-the-art CBDC system solutions and comprehensive services, operating as a subsidiary of IBDT.

Since its establishment, CBDC LLC has been instrumental in advancing the development and implementation of Central Bank Digital Currency (CBDC) solutions in the Middle East region. With a focus on innovation and expertise, CBDC LLC has actively contributed to the evolution of CBDC ecosystems, leveraging cutting-edge technologies and extensive experience to secure esteemed status as a key player in the CBDC landscape.

## WHY CHOOSE US

Mature technology with successful commercialization.

Extensive experience serving government agencies and retail businesses.

Deep partnerships with major corporations and financial regulators.

Commitment to innovation, integrity, and client satisfaction.

## End-to-End CBDC Solutions Provider:

At CBDC LLC, we take pride in delivering tailored CBDC solutions and support services to central banks, ensuring seamless integration and operation throughout the entire process. Our dedicated team of experts offers specialized services including CBDC architecture design, system implementation, and ecosystem construction consultancy to meet the unique requirements of our clients.

CBDC  
Architecture Design

Offer customized system architecture design services that meet all requirements of the central bank.

Implementation of  
CBDC system in the  
country

Provide the complete system and complete all the deployment work for the system.

CBDC ecosystem  
Construction and  
Business Development

Provide training for the CBDC system operation and ecosystem construction consulting for financial departments.

## Strategic Partnerships:

CBDC LLC has forged strategic partnerships within the region, fostering collaborations with prominent entities in the financial sector to enhance CBDC adoption and integration. Our partnerships enable us to facilitate seamless system interoperability and provide exclusive CBDC offerings to key stakeholders.

e-CNY Full-scene business

Kunpay has the ability to provide the whole scene and life-cycle business of e-CNY. Currently, it is serving hundreds of thousands of supply chain enterprises upstream and downstream of CNPC and national gas stations using e-CNY payment.

## Business Endeavors:

Currently, CBDC LLC is engaged in providing exclusive CBDC services tailored to the needs of various industries, including energy, transportation, and supply chain financing. Leveraging our expertise and strategic alliances, we are committed to driving CBDC adoption and innovation across diverse sectors.

## Technological Expertise:

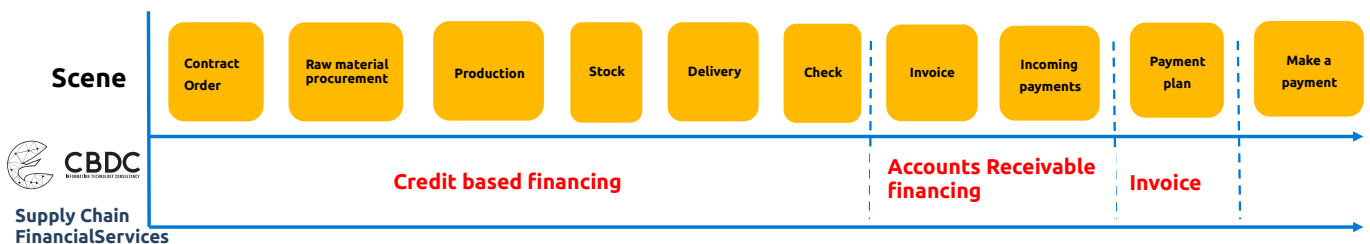

With a proven track record of successful CBDC implementations and regulatory oversight, CBDC LLC stands as a trusted partner for governments, corporations, and organizations seeking to harness the benefits of digital currency solutions. Our mature technology, combined with extensive experience serving government agencies and retail businesses, enables us to deliver tangible benefits and tailored solutions to our clients.
